Note: this is an open-book take-home examination – access to any learning resources permitted.

Preparation For Final Exam

- Be confident and feel positive that your thoughts and answers are acceptable to the lecturer. Expressing your understanding, perhaps with an example, is much more valuable in this unit (INFO6007).
- You are a future leader. You will lead IT organisations and project teams. So your views are well respected in the exam. You will never get a zero for a less-correct answer in INFO6007. You will always get some marks for your effort and contributions.

Preparation For Final Exam

- Answer all questions. Do not leave any questions unanswered.
- Length of the answer should be reasonable and sensible to you. Try your best to attempt each question. Most of the questions will require demonstrating your understanding and knowledge of the contents.
- Be aware of plagiarism.
- Use the [answer-booklet-coversheet provided](#) on the final exam homepage <https://canvas.sydney.edu.au/courses/28720> . It's also provided on the unit's Canvas site under week 12 module.
- Take care of your health
- You will have an enjoyable exam on 5 December. [Wish you all the best !](#)
